EVENTS

7th & 8th April

New York Brewery Showcase

Get your Easter weekend started right. We're pouring 6 of NYC & New Jerseys biggest hitters with beers from Fin Back, Sloop, Other Half, Hudson Valley, Magnify & Single Cut. Not only that, we're slinging Philly cheesestakes on the Saturday with Echo Juliet treating us to some silky mixes from 7pm. Forget about it..

14th April

Cloudwater Chubbles Launch

From Friday the 14th April at 5pm we'll be pouring two different versions of Cloudwater's massive 10% Triple IPA which has been brewed in Conjunction with The Veil Brewing Co! Come down and try these two absolute behemoths side by side to see how this seminal TIPA has evolved over the years.

21st April

The Revolution Will Not Be Pasteurised

Ross on Wye Cider and Perry are delighted to welcome you to join The Revolution Will Not Be Pasteurised Spring 2023 Tour! Travelling across the UK and Belgium visiting more than 18 pubs, bars and bottle shops in celebration of keg conditioned cider and perry. This wonderful format of draught cider serves live cider on tap that poetically expresses the natural flavours of the apple or pear variety on show. We'll be joined by Albert from Ross on Wye to guide us through it all.
